

2023 CONFERENCE

SPONSORSHIP OPPORTUNITIES

Thursday 16 – Friday 17
November

Rāpare 16 – Rāmere 18
Whiringa-ā-Rangi

SCANZ
SCIENCE COMMUNICATORS
ASSOCIATION OF NEW ZEALAND

NAU MAI HAERE MAI WELCOME

The Science Communicators Association of New Zealand (SCANZ) Conference is Aotearoa New Zealand's only dedicated science communication event.

Our community includes communication professionals, researchers, academics, media, government, not-for-profit agencies, and private businesses.

Each year the SCANZ Conference attracts attendees from across Aotearoa and the wider regional and international science communication community to exchange experiences and build lasting connections.

Your support enables us to deliver an event that is accessible, inclusive, and impactful. Our sponsor packages have been created to provide high visibility with all delegates.

Contact us to confirm your participation or discuss your ideas:
